Vision

We see ourselves as a leading brand, listed on the JSE, by the year 2050. We hold this vision because we strongly believe in our unique approach and strong passion in developing Chartered professionals.

Mission

Our purpose is to develop extraordinary Chartered professionals through passionate tuition, development of skills beyond the classroom, and imparting a culture of lifelong learning. Our mission is to educate the African continent, and positively change the lives of millions of Africans.

Values

College of Chartered Accountant's value system is at the core of our philosophy. It shapes our views on how we do business and how we interact with customers, our suppliers, our landlords, our bankers. Through our values, together with the consistent application of policies, practices and strong ethical values, we seek to achieve the highest standards of business performance.

Mutual respect and trust are an outcome of COCA's values:

- ✓ Innovation
- ✓ Exuberant youthful energy
- ✓ Life-long learning
- ✓ Investment in future potential
- ✓ Courage to take on new ideas
- ✓ Generously recognizing the effort of our employees

Our values have evolved in consultation with employees, and ongoing induction for new staff members serves to further inculcate the value system in the culture of the College of Chartered Accountants.

WHY CHOOSE US

What we do and how we do it

We at COCA help individuals recognise their dream to become Chartered professionals in the shortest possible time and improve efficiency at the workplace. We provide affordable, exam focused reliable tuition to smoothen your career development. Our unique teaching methods conducted by veterans in the economic, accounting and finance sectors ensures that students are equipped with real life skills and competencies needed in real work situations that employers need. We don't just teach but we nurture future business leaders.

Group Work

Our Interactive Learning Group Work Sessions are UNIQUE and assure you of exam success. They don't just give you academic interaction but a variety of exposure to different functions in business and finance. See our success stories on our website.

Pass Rate

Here at COCA we have initiated a 100% pass rate scheme that supports students to progress and excel during their time with us. Attend all classes, write all the mock exams, attend all revision lectures then you should pass, but if you don't pass then you will attend our next semester revision classes for free.

Small Classroom sizes

We have small class sizes to enable students to get the best out of our lecturers and to enable the lecturer to focus on every student's unique needs. The Lecturers can communicate and know students very well and thereby take the best approaches when delivering lectures. Research has shown that small class size result in more interaction, team work and better exam performance.

Teaching Staff

Our lecturing team is made up of Chartered Accountants, Chartered Global Management Accountants (CGMA), Chartered Certified Accountants, Chartered Secretaries, and Master's degree holders, all of whom are active veterans in reputable corporates so they don't just teach you what's needed for you to pass your exams but they will also impart you with practical expertise of day to day corporate operations.

CIMA

Chartered institute of Management Accountants (CIMA) is the world's largest and leading professional body of management accountants. Its mission is to help people and businesses to succeed in the public and private sectors. CIMA constantly updates its qualification, professional experience requirements and CPD programme. This ensures that its members and students are first choice for employers who are recruiting financially trained business leaders. CIMA is committed to upholding the highest ethical and professional standards, and to maintaining public confidence in management accounting. CIMA is registered with SAQA (ID 20400)

If you are starting out in business or you are already working, but are wanting to break through to the senior management space, CIMA is the qualification that will give you the business acumen, enterprise understanding, performance management knowledge and project management skills you need - all backed by a solid financial management and accounting stream.

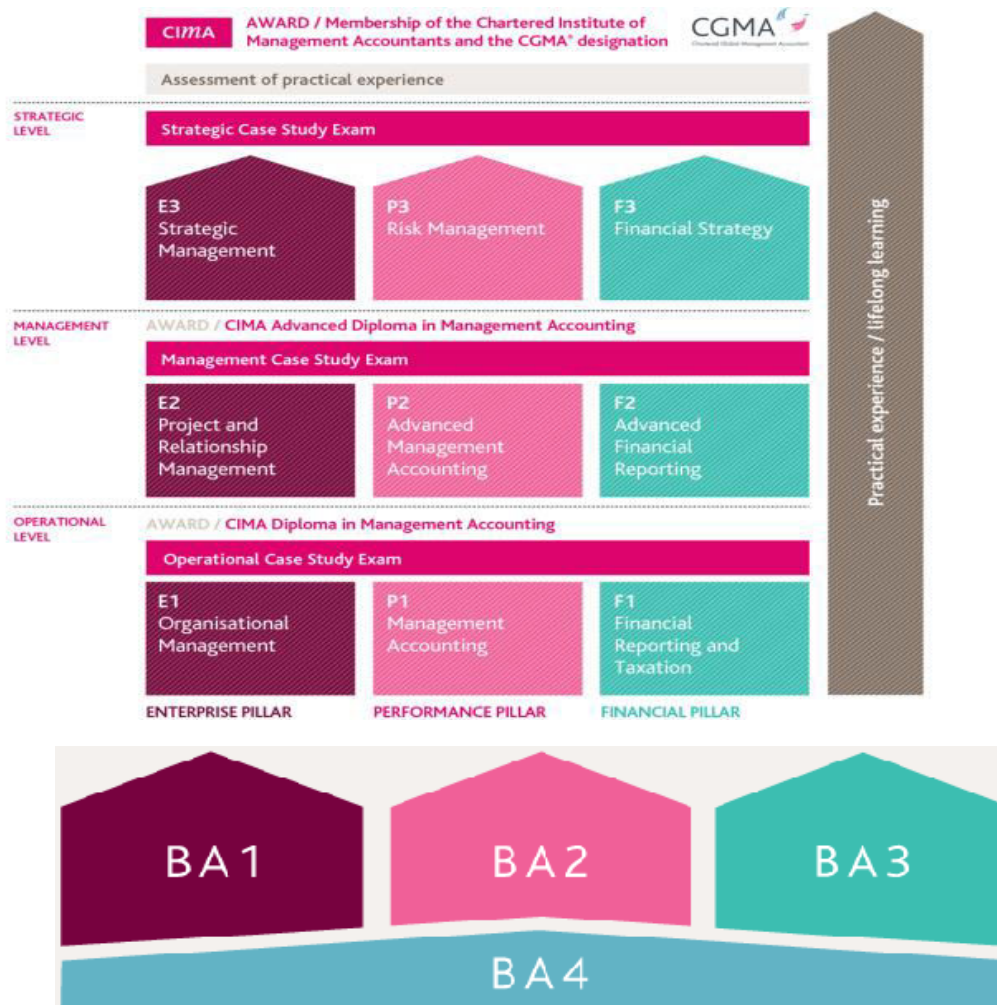

CIMA registration

CIMA registration is open to all, regardless of educational background. Our flexible entry policy enables anyone with the passion to succeed in business to join. All you need is competence in Maths and English. If you are new to business or accounting studies, you will start with the CIMA Certificate in Business Accounting, which is our foundation level and which will prepare you for the CIMA professional qualification.

If you have prior qualifications, CIMA's carefully designed exemption policy will allow you to start your CIMA studies at the right point for you.

ACCA

Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. It aims to offer business-relevant, first-choice qualifications to people of application, ability and ambition around the world who seek a rewarding career in accountancy, finance and management. ACCA works to strengthen a global profession based on the application of consistent standards, which we believe best supports international business and the desire of talented people to have successful, international careers. It champions the needs of small and medium sized business (SMEs) and emerging economies, and promote the value of sustainable business. ACCA works in the public interest, assuring that its members are appropriately regulated for the work they carry out and, promoting principles-based approaches to regulation.

Choose ACCA – and discover a world of opportunity

When you study with ACCA, you can take your career in any direction. You open doors to the best and most interesting roles all over the world. And you become one of the sought-after finance professionals our fast-changing world needs.

It's a rewarding and intense path – and we're here to support you at every stage of your career.

Six reasons to choose ACCA

1) Work anywhere in the world

ACCA has a worldwide reputation for excellence and our rigorous qualifications are recognised and respected across the globe. When you join us, you become part of our diverse body of more than 208,000 members and 503,000 students in 179 countries.

2) Stand out to the best employers

Employers across the globe seek out ACCA-trained professionals – because they know they have the strategic thinking, technical skills and professional values to drive their organisations forward. We currently work with more than 7,400 Approved Employers and 80 accountancy partnerships worldwide – and connect our members with thousands of vacancies through the ACCA Careers Job Board.

3) Supported by quality tuition

ACCA has a network of approved learning partners to help you on every step of your journey. Whether you wish to study full-time or part-time, in a classroom environment or online, you'll be able to find quality tuition that suits your needs and lifestyle. For some exams you can even use our own learning platform, ACCA-X.

4) The flexibility to choose your own path

ACCA has exam sessions each quarter and some of our exams can even be taken on-demand, giving you the flexibility to progress through our qualifications at your own pace. Our flexible exams also give you the opportunity to specialise in a chosen area and in a number of countries you can even take exams based on your national tax and law. Additionally you can even gain additional qualifications on your journey to membership, including:
